Daily Fashion Hints From VOGUE

QUANTITY UP TO DATE. A most distinctive of the late '80s may be made quantity up to date by those subtle touches which are the secret of present-day fashions. For instance, the tight, boned, and rigorously fitted basque of yesterday is now reproduced with quite a picturesque charm, but, fortunately, without those old-fashioned necessities of feather-boning and steel. The softly fitted silhouette is found to be equally charming, and certainly much more wearable. The full, crinolined skirts of our grandmothers' period now rely on the crispness of taffeta or the weight of velvet to distend them rather than on bones. In the frock illustrated, the long, flowing sleeves may be of chiffon, and the trimming bands of fur.

INGROWN TOE NAIL
How to Toughen Skin so Nail Turns Out Itself

A few drops of "Outgrow" upon the skin surrounding the ingrowing nail reduces inflammation and pain and so toughens the tender, sensitive skin underneath the toe nail, that it cannot penetrate the flesh, and the nail turns naturally outward almost overnight.

"Outgrow" is a harmless antiseptic, manufactured for chiropodists. However, any one can buy from the drug store a tiny bottle containing directions.—Advertisement.

Not Only Your Poor Feet

The insidious evil of high heels and narrow pinched toes is greater than most women believe. Ill-balanced shoes do more than discomfort the feet; they cause fallen arches, backaches, nervous strain, displacement of the internal organs, weariness, depression, ill health.

Without sacrifice of good looks, the Cantilever Shoe for women gives perfect comfort and perfect carriage. The last conforms to the mould of the foot, with room for the toes, and with inbuilt support about the instep and heel. The outline of the sole has liberty to exercise and bend freely and gracefully. This freedom of movement strengthens the muscles and prevents and corrects flat foot. Your health will improve in Cantilever Shoes.

The flexible shank yields with every movement of the muscles. Instead of being bound to a rigid sole which restricts the circulation and makes the foot weak, in Cantilevers the foot has liberty to exercise and bend freely and gracefully. This freedom of movement strengthens the muscles and prevents and corrects flat foot. Your health will improve in Cantilever Shoes.

Boils and Pimples Are Danger Signals

They Denote With Unfailing Certainty a Weakened and Impure State of the Blood

For Absolute Relief You Must Clear Your Blood of Waste Products

Modern life, with its rich foods and lack of exercise, often advertises its effects by disfiguring the skin. Acne, small abscesses and boils are all too common.

To correct this basic trouble—waste products—the blood must be purified. But don't clog your blood. Just clean it out. Nature will do the rest. Pure, rich, red blood nourishes the body and fights off disease.

S. S. S., the standard blood purifier and system builder, is the ideal remedy for skin eruptions. The effect of S. S. S. is to rid the system of the waste products which are causing the trouble. For over 50 years S. S. S. has proven to be of unusual merit. Begin taking S. S. S. today and write for 56-page illustrated booklet, "Facts About the Blood"—free.

Lydia E. Pinkham's Vegetable Compound is especially adapted to help women through this crisis. It exercises a restorative influence, tones and strengthens the system, and assists nature in the long weeks and months covering this period. It is prepared from medicinal roots and herbs, and contains no harmful drugs or narcotics. Its value is proven by many such letters as these:

Afton, Tenn.—"I want other suffering women to know what Lydia E. Pinkham's Vegetable Compound has done for me. During Change of Life I was in bed for 18 months and had good care, but did not improve. A friend advised me to take Lydia E. Pinkham's Vegetable Compound, which I did, and in a short time I felt better. That was five years ago, and now when I feel run down and nervous I take the Compound and it always does me good. I wish all women would try it during Change of Life, for I know it will do them good."—Mrs. A. KELLER, Afton, Tenn.

Thomas, Okla.—"I first used Lydia E. Pinkham's Vegetable Compound in my girlhood days, by the advice of a friend. At the age of 47 I was troubled with dizziness, hot flashes, and became very weak so that I was unable to do any work. I took Lydia E. Pinkham's Vegetable Compound with the result that I felt better and stronger than I have for years. I have also given it to my three daughters, and always with good result. The Vegetable Compound is certainly grand for the ills of women."—Mrs. J. G. SWAREY, Route B, Thomas, Okla.
